Home Learning

Hello everyone!

Happy New Year! We hope you had a lovely Christmas holiday and have managed to enjoy the recent snowfall safely.

As much as we would have loved to have seen you all today, due to the icy conditions, school has had to close.

We have set some home learning tasks for you to complete while you are at home. These activities will help you recap and strengthen the skills you were developing last term and help you to prepare for our new inquiry.

Please do what you can and bring it in to show us tomorrow! Only complete if you can, there is no pressure.

The Year 5/6 team

Task 1	<p>Using your poetry skills from last term, write a free verse poem using winter and snow as your inspiration.</p> <p>Must include:</p> <ul style="list-style-type: none"> • Similes • Metaphors • Descriptive language
Task 2	<p>Use your sketching skills, sketch the snowy scene you can see from your window</p> <p>Must include:</p> <ul style="list-style-type: none"> • Light and shade

	<ul style="list-style-type: none"> • Details and textures (e.g trees, footprints, buildings etc)
Task 3	<p>Find the definition of these words that we will hear lots during our new inquiry:</p> <ul style="list-style-type: none"> - Erosion - Climate - Sediment - Abrasion - Tectonic plate - Magnitude <p>For each word, you could write the definition in your own words and draw a diagram/picture to help you remember.</p>

For each of these tasks, we are happy for you to present them however you would like, there is no right or wrong way. We look forward to seeing what you do!
